

# finchdigital sheets

More than a substrate—a solution

## A versatile product portfolio for multi-press environments

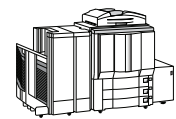

Finch delivers the value that serious printers need. We specialize in uncoated papers for digital and traditional printing markets, and often customize tailored substrates for specific applications. Our promise is simple: affordable projects, made with environmental integrity, and delivered with the type of personal service you will respect and remember.

Digital Production Presses

HP Indigo

Digital Printers and Copiers

### PRODUCTION INKJET

#### Finch Inkjet Pi

Treated for high-performance color printing with pigmented inks.

#### Finch Mailstream

A family of substrates optimized for pigment and/or dye-based transactional documents and direct mail. Designed to enhance graphics with best-in-class duplex printing.

#### Finch Smartbook Jet

For full-color digital books with high page-per-inch requirements. Provides brilliant color images with remarkable opacity.

### TONER

Digital Color Production  
Presses & Printers

#### Finch Fine iD

A top performer for HP Indigo presses. 3-star (best performing) rating from RIT.

#### Finch Fine Color Copy

For color copiers, printers and digital presses. The best value for digital printing.

#### Finch Opaque Digital

Everyday cross-platform performance on color digital production presses, from 20 lb. laser to 100 lb. cover.

### OFFSET LITHOGRAPHY

#### Finch Fine

The best value in paper: a high-quality sheet, made in a wide variety of weights and sizes.

#### Finch Casa Opaque

A greener house sheet for delivering excellent printability with 30% recycled fiber and dual certification.

#### Finch Opaque

A bright, smooth sheet, long trusted for its easy runnability and wide selection.

**Digital Performance Guarantee:**

Finch Digital is guaranteed to run on all inkjet and laser equipment. The printer is responsible for using proper printing and trimming techniques and for suitable packaging and storage conditions. The Finch grade selected must meet the original equipment manufacturer's (OEM) guidelines. If defective paper causes poor runnability, we will replace the paper or provide a prompt refund limited to the value of the paper. \*\*Guarantee will provide for replacement of the paper.
